Academics:

- Graduated, 1991 University of Utah, Bachelor of Science, School of Communication, Salt Lake City, Utah.
- Graduated, 1983 East High School, Salt Lake City, Utah.
- Graduated, 1983 Highland High School Extension Film and Television Production Program, Salt Lake City, Utah.

Member in Good Standing:

- Motion Picture Studio Mechanics Local 488 -- 2008
- International Alliance of Theatre and Stage Employees Local 2006
- Oregon Media Production Association - 2001

Professional Experience:

- 2006 - 2010. Employee, Cascade Video Systems, Inc.

My duties include managing any contracts for upcoming jobs. I work directly with producers and production managers to organize and execute all video assist, teleprompter and jib arm equipment rentals and technicians.

- 2009. Collaborating with Dr. Michael Harris, PhD.CIH.

Produced and directed "Anticipation, Recognition, Evaluation and Control of Welding Health Hazards." This is an 8-hour professional development course now being sold to professional Industrial Hygienists throughout the country in dvd format.

Client: Hamlin and Harris, Inc.

- 2009. Opened Industrial Hygenius, LLC. A production company providing educational media services for the worker safety and health industries.

- 2005. Along with my wife, we bought a small farm in Oregon City, OR. In 2007 we decided to try our hand at raising French black truffles, a diminishing delicacy the world over.

- 1995 - 2006. I worked as a freelance video assist technician. In 1995 I opened and managed Cascade Playback, a sole proprietorship providing video assist and 24-frame playback services to the local production community.

- 1999. Produced and Directed "Kaleidoscope Kids," A short film for The Community Nursing Services of Utah, a non-profit home health agency. CNS hosts Art and Soup, an annual fund raising event focused on raising money and awareness for home health services for children with life threatening illnesses and their families.

- 1991-1995. I worked as a freelance video assist technician, Nebeker's Motion Picture Video.
